

The Safer Surface

Chemistry for Water Play Pool Decks and Aquatic Facilities

Tru-Motion aliphatic binder products have been specifically formulated for installation of surfaces surrounding pool and aquatic areas.

With excellent color stability, and designed for maximum resistance to high chlorine and pool chemical attack, our *Tru-Motion* safer surface gives you the peace of mind you are looking for with superior durability.

Accella is showing at the 2015 WWA Conference!

Come visit us at **Booth 1711** and learn about all our surface solutions!

**Tru-Motion
Products:**

ALIPHATIC
BINDER

**H3604
H3609**
